### THE OLD GODS HAVE RETURNED . . . FOR FUNNEL CAKE!?

**Madness at the Darkmoon Faire™** is the upcoming expansion for Blizzard Entertainment's smash-hit digital card game, *Hearthstone®*. While the denizens of Azeroth may expect an outing filled with family-friendly fun at the fairgrounds, they'll instead find a creepy carnival corrupted by rigged games of chance, deep-fried foods of mysterious origin, and the tentacled grips of unspeakable horrors.

The Old Gods are timeless eldritch beings who ruled over Azeroth during its primordial age. In *World of Warcraft®*, they slithered out from their millennia-long slumber only to be beaten to a squishy pulp by bands of plucky adventurers.

- **THEY'RE BACK:** C'Thun, Yogg-Saron, Y'Shaarj, and N'Zoth all return as new Legendary cards to settle the score since their debut in the third *Hearthstone* expansion, *Whispers of the Old Gods™*.
- **NEW KEYWORD: CORRUPT:** Corrupt cards **upgrade** in your hand after you play a card with a higher mana cost. The Corrupted version of each card isn't just stronger—it also features unique alternate artwork with more eyeballs and tentacles than before!
- **RETRIEVE ANCIENT MAGIC, BURIED FOR GOOD REASON:** If they so dare, players can tamper with four Old God Artifacts whose match-altering, unpredictable effects hearken back to the abilities of the original Old Gods designs.

Players who pre-purchase a **Madness at the Darkmoon Faire** bundle will also receive early access to the new **Hearthstone: Duels** play mode from October 22 to November 11. Duels combines the thrill of player vs. player Arena competition with the over-the-top deckbuilding experience from the game's Dungeon Run Solo Adventures.
